FRIDAY – MAY 10, 2024

11:00

Registration and Welcome Coffee

13:00

WELCOME

Robert Pirker, Austria
Luboš Petruželka, Czech Republic
Gyula Ostoros, Hungary

13:15–13:45

Introductory Lecture: The immune system

Chairs: Gyula Ostoros, Hungary
Jiří Votruba, Czech Republic

13:15

The biology of the immune system
Helmut Popper, Austria

14:00–15:30

Scientific Session I: Therapy with immune
checkpoint inhibitors

Chairs: Milada Zemanová, Czech Republic
Christian Manegold, Germany

14:00

Immune checkpoint inhibitors
in advanced NSCLC
Luboš Petruželka, Czech Republic

14:15

Immune checkpoint inhibitors as
consolidation therapy in stage III NSCLC
Thorsten Füreder, Austria

14:30

Adjuvant therapy with immune checkpoint
inhibitors in resected NSCLC
Gyula Ostoros, Hungary

14:45

Neoadjuvant therapy with immune
checkpoint inhibitors in NSCLC
Martin Svatoň, Czech Republic

15:00

Immune checkpoint inhibitors in driver
mutation-positive NSCLC
Rudolf Huber, Germany

15:15

Immune checkpoint inhibitors in SCLC
Nevena Secen, Serbia

15:30–16:00

Coffee Break

16:00–16:30

Keynote Lecture

Chairs: Luboš Petruželka, Czech Republic
Robert Pirker, Austria

16:00

Immune checkpoint inhibitors in lung
cancer: The Chinese experience
Caicun Zhou, China

16:45–18:00

Scientific Session II: Therapy with immune
checkpoint inhibitors

Chairs: Diego Kauffmann-Guerrero, Germany
Gabriella Gálffy, Hungary

16:45

Predictive markers for immune
checkpoint inhibitors
Linda Čapková, Czech Republic

17:00

Immune checkpoint inhibitors in lung
cancer: radiological aspects
Vladimír Černý, Czech Republic

17:15

Immuno-Oncology in lung cancer:
the pulmonologist's view
Daniela Gompelmann, Austria

17:30

Immuno-Oncology in lung cancer:
the radio-oncologist's view
Milada Zemanová, Czech Republic

17:45

Immuno-Oncology in lung cancer:
the surgeon's view
Monika Švorcová, Czech Republic

18:15–19:15

Scientific Session III: Novel immunotherapeutic
strategies

Chairs: Krisztina Bogos, Hungary
Daniela Gompelmann, Austria

18:15

Dual immunotherapy in advanced NSCLC
Wilfried Eberhardt, Germany

18:30

Novel immunotherapeutic approaches in
lung cancer beyond PD1/PD-L1 and CTLA4
Diego Kauffmann-Guerrero, Germany

18:45

Novel vaccines against lung cancer
Sofia Baka, Greece

19:00

The potentials of artificial intelligence in
Immuno-Oncology
Jiří Votruba, Czech Republic

19:30

Dinner

SATURDAY – MAY 11, 2024

09:00–10:30

Chinese-Central European Lung Cancer
Web Session
Immuno-Oncology in Lung Cancer:
current status & perspectives
*In co-operation with ProMedican
and Chinese European Alliance of Oncology
(Jingrui Yang, Shanghai, China)*

Moderators: Caicun Zhou, Shanghai, China
Robert Pirker, Vienna, Austria

Panelists: Huijing Feng, Shanxi, China
Weiheng Hu, Beijing, China
Weiwei Nie, Shandong, China
Wei Peng, Jiangsu, China
Rudolf Huber, Munich, Germany
Christian Manegold, Mannheim, Germany
Luboš Petruželka, Prague, Czech Republic
Gyula Ostoros, Budapest, Hungary

10:30–11:00

Coffee Break

11:00–12:00

Breakout Sessions: Perspectives
of Immuno-Oncology in Lung Cancer

Predictive biomarkers
Linda Čapková, Czech Republic
Helmut Popper, Austria

Adjuvant therapy of NSCLC
Monika Švorcová, Czech Republic
Wilfried Eberhardt, Germany

Neoadjuvant therapy of NSCLC
Mir Alireza Hoda, Austria
Rudolf Huber, Germany

Therapy of advanced NSCLC
Gabriella Gálffy, Hungary
Thorsten Füreder, Austria

Therapy of SCLC
Nevena Secen, Serbia
Zsolt Megyesfalvi, Hungary

12:00–13:00

Lunch Break

13:15–14:15

Summary of Breakout Sessions

Chairs: Sofia Baka, Greece
Martin Svatoň, Czech Republic

14:30–15:30

Interactive Session: Future co-operations
in Central Europe

Moderators: Luboš Petruželka, Czech Republic
Robert Pirker, Austria

Panelists: Krisztina Bogos, Hungary
Mir Alireza Hoda, Austria
Zsolt Megyesfalvi, Hungary
Helmut Popper, Austria
Martin Svatoň, Czech Republic
Milada Zemanová, Czech Republic

15:30

Closing Remarks
Robert Pirker, Austria

15:45

Adjourn
